On behalf of the membership of Wannamoisett Country Club and the Tournament Committee, it gives us great pleasure to welcome you to the Northeast Amateur Invitational.

Now in its 64th year, we truly enjoy hosting the best of the best in collegiate and amateur golf. As you may know, this event has earned recognition as the "Masters of Amateur Golf" by our late friend and notable golf writer, Ron Ballicki. Contestants have come from all over the globe to experience our impeccably maintained Donald Ross gem and genuine Rhode Island hospitality.

Once again, we have attracted one of the strongest fields of the summer and look forward to having the most elite amateur golfers from around the world join us for this special week. The Northeast is the second of seven tournaments in the Elite Amateur Series which awards points to players in the field based on their finishes. Points leaders will earn exemptions into PGA Tour and USGA events. Also, the PGA Tour has tabbed the Northeast as one of only six U.S.-based tournaments whose champion will receive 1 point towards the PGA Tour University Accelerated Program, as well as receiving an exemption to the US Amateur. Ben Adelberg, from The Back of the Range, will be on-site capturing social media content in the form of photographs, video, and interviews. We also welcome our friends from the USGA, Mass Golf, and Rhode Island Golf Association.

We would like to recognize our sponsors and hosts for the week and thank you for your generosity and hospitality. This event has always been and continues to be member sponsored yet is still able to maintain its status as a premier amateur event in the world. We are very fortunate to have such a supportive group of members that open their wallets and homes to ensure a memorable week for all our contestants.

A very special thank you to our friends and partners from Titleist & Foot Joy for their continued support of the Northeast Amateur. To our tee sponsors Webster Bank, Duffy & Sweeney, Bank of America, FM, Navigant Credit Union, Hart Companies, Hub International, DeltaVision and Servpro. Also, to all of our valued media partners that continue to provide exceptional coverage for the event.

Lastly, we would like to thank the Wannamoisett Membership and Board of Governors; Douglas Scala, President; Ed Clark, Director of Golf; Mark Daniels, Superintendent; Ted Kohler, General Manager; and our entire staff for the unwavering support of this event.

We wish all of our invitees' great success this week and we will do our utmost to make your visit here one to remember and cherish!

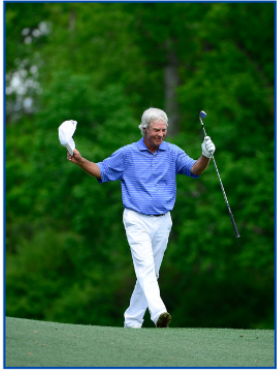

Sincerely,

Handwritten signatures of Ben Tuthill and Mick Hogan in black ink.

Ben Tuthill & Mick Hogan
Co-Chairmen

My memories of Wannamoisett are pleasant ones. I am not alone by any means, for when a discussion of places to play comes up, the mention of Wannamoisett usually elicits a warm smile to those who are listening.

To those fellow professionals who were lucky enough to be invited to the Northeast Amateur, it reminds us of tackling a great golf course against a strong field of top players at a time

*Ben Crenshaw 1973 NEA
Champion*

in our golfing lives when we didn't have a care in the world.

We were seeing different parts of the United States in a setting amongst such friendly and warm people who couldn't do enough for us – well, those happy thoughts will stay with us a long, long time.

In these days of blatant commercialism with respect to new courses, let me raise a toast to the par of 69 set beautifully on some 105

acres where everything has its place – where one comes away with the thought of how anyone could be as talented as Donald Ross to combine such clever strategy that requires such a vast array of different shots. And those fascinating greens!

105 acres was simply all the land that Mr. Ross had at his disposal, or needed; thus the par 69 has always been Wannamoisett's "Badge of Honor".

To such rare places in the game I usually say "guard it with your very lives and take care of it."

So my heartfelt congratulations upon reaching the centenary and golfers everywhere wish you a long and happy life.

Sincerely,

A handwritten signature in black ink that reads "Ben Crenshaw". The signature is fluid and cursive, with a long, sweeping tail on the final letter.

Ben Crenshaw
1973 Northeast Amateur Champion
Excerpt from the Wannamoisett centennial book published in 1998

Taking part in this distinguished tournament for almost 20 years was a recurring highlight of my amateur golf career. A participant's invite was as prized as any.

Why is this tournament so important? There are many reasons. The Northeast Amateur is always held at Wannamoisett. The golf course is special. It is a classic Donald Ross design, kept in impeccable condition, providing an outstanding test of golf. Not only are the players competing against the best opponents, but the extent of their skills is being fully explored by a demanding layout. It is one of my all-time favorite courses!

*Jay Sigel 3-Time NEA
Champion*

The Northeast Amateur attracts a top-flight amateur field each year.

The list of participants over time is a "Who's Who" of amateur golf.

Many have gone on to fame and success in the professional ranks.

Success at this tournament is a critical component of the selection process for our country's USGA teams, among the most highly prized achievements in an amateur golfer's career. This adds to the privilege, prestige and pressure of the Northeast Amateur.

One of the most important attributes of the Northeast Amateur - the one that makes it truly special - is the impressive manner in which it is supported and funded by Wannamoisett's membership. The members house the players. They feed and entertain them. They marshal the tournament.

Starting in 1976 - and for many years in succession - I was most proud to be invited to play in the event. I was very fortunate to meet wonderful people and to form many long lasting friendships. There is camaraderie here; a special bond among golfers who respect the game and its traditions.

Over fifty years of success, raising this tournament to the level of importance it has attained, is the result of the focus, dedication, enthusiasm and hard work of the tournament's founders and directors and the unfailing and universal support of the club's membership. Here's to your vision and commitment.

Thanks to you all,

A handwritten signature in black ink that reads "Jay Sigel". The signature is cursive and stylized, with a prominent loop at the end.

Jay Sigel
1984, 1985 & 1991
Northeast Amateur Champion

The Majestic Bald Eagle Overlooks Hole 15

Donald wins 6-hole playoff to retain title

By Paul Kenyon

Providence Journal Sports Writer

Photo Courtesy of Providence Journal

EAST PROVIDENCE – Luke Donald did not ease back into competition. He jumped in with both feet. And both arms.

Donald, one of the highest-ranked amateurs in the world, made his return to competitive golf a successful one yesterday when he outlasted a tightly bunched field and won his second straight Northeast Amateur at Wannamoisett.

The recent graduate of Northwestern University and resident of High Wycombe, England, edged Erik Compton, a University of Georgia star, in a six-hole playoff, the longest in the

tourney's 40-year history. Playing the toughest stretch of the demanding Wannamoisett course, Donald ran off six straight pars.

Compton, who had surged into the playoff by matching the best round of the week, a closing 4-under-par 65, matched Donald's pars for five holes. But Compton drove into the deep rough on the sixth playoff hole (the 428-yard first hole) and ended with a bogey.

The victory makes Donald only the fourth player to win the event two years in a row. He joins the late Ronnie Quinn (1964-65), John Cook (1978-79) and Jay Sigel (1984-85). He did this time while playing for the first time in a month, since injuring his arm.

"In the past I have taken a week or two off and came back and played well," Donald said. "But I've never taken four or five weeks off in the middle of a season. Obviously, I didn't have too high expectations for myself this week.

"It certainly was a bit of a surprise," he added. "But in the first round I hit the ball extremely well and from then on I knew I had a chance."

Donald began the final day in a tie for fifth, two strokes behind fellow All-American, Lucas Glover, of Clemson. Donald had a closing 69 for 277, 1-over par. Compton matched that total with his 65.

As many as a dozen others had a chance to equal or better that total, too, in the tightest finish in tournament history. As it was, 12 players finished within two strokes of the top 16 within three shots. A half-dozen players held or shared the lead down the stretch.

Australian Adam Groom had the advantage coming down the stretch, but he bogeyed 16 after his approach went over the green, then double-bogeyed the final hole when he hit his approach into a bunker and three-putted. Connecticut's Jerry Courville, whose father won the tournament 32 years ago, was tied for the lead until three-putting the final hole. Glover, the third-round leader, and Duke Delcher, playing in the final two-some, both had birdie putts inside 8 feet on the par-5 17th, putts that could have tied them for the lead, but could not convert.

CELEBRATING PAST CHAMPIONS

As it was, Robert Hamilton (67), Courville (67), Delcher (71) all finished at 278, one stroke out of the playoff.

Bubba Dickerson (66), Jon Mills (68), Matt Weibring (68), Ricky Barnes (69), Glover (73), Groom (72) and Nick Cassini (70) all came in at 279.

From all that, the two who reached the playoff were not a surprise. Compton, a heart transplant recipient, won last week's tournament on the amateur circuit, the Monroe Invitational in New York. He felt he had shot himself out of contention Saturday with a 74 that dropped him into a tie for 15th. He all but gave up hope of winning.

“Winning the Northeast Amateur at Wannamoisett in 2000 and 2001 remains some of my fondest amateur victories. Wannamoisett is one of those classic Northeastern golf courses that demands precision, patience and thoughtful shot-making, and the championship has long been a proving ground for many of the game’s future stars. Those two wins gave me tremendous confidence at an important stage of my career and hold a special place in my golfing memories.”

**Luke Donald (OBE)
Northeast Amateur Champion
2000 & 2001**

RUMFORD – History did not repeat itself. History was made.2025

The 63rd Northeast Amateur Invitational did not disappoint. It had everything – and more.

It finished with Preston Stout, of Oklahoma State University, hoisting the Irish crystal trophy. He was consistent the entire week and dominated the field with rounds of 69-61-72-65 – 267 (9-under) and won by eight shots.

"Just really proud of myself," he said. "I think Friday was a hard day for everybody. I felt like I kind of lost my swing a

little bit yesterday and to be able to come back today and finish strong, it was really nice and really good. There's a lot of great players to come through here and win this event so to put my name up there with them is awesome. It was a great week and great event. I'm just really happy."

It was fitting that 2024 champion Anthony Delisanti presented Stout with the Northeast Amateur blazer on a beautiful Saturday evening at Wannamoisett Country Club. After the trophy ceremony, Stout stood on the first tee with his mother and enjoyed the moment. As a result of his victory here, he earned the "Golden Ticket" to the U.S. Amateur at the Olympic Club. "The U.S. Am is obviously the biggest amateur event of the year, so hopefully keep this going and play well there," he said.

Stout was in total control. It started when he shot 8-under 61 on Thursday. Then he kept it going. Patience. Consistent. Focused.

Previously, only two players – Luke Guthrie (2011) and Karl Vilips (2019) – carded 61s during this tournament. Stout joined that club Thursday with an impressive 8-under round, including one bogey, one eagle and eight birdies. Stout kept his momentum going with full throttle ahead. He was steady, especially down the stretch, and finished with an impressive victory.

"I saw I had a pretty comfortable lead and I just wanted to keep my foot on the gas and that's what I did with birdies on 14, 16, and 17 so yeah just really good and I'm proud of myself for not really letting anyone having a chance and keeping my foot on the gas and putting it away," he said.

The Northeast Amateur is considered the Masters of the amateur circuit and players look forward to playing this tournament. They enjoy everything about it and the membership makes sure these players experience a first-class event. "It's up there for sure," Stout said. "This is one of the biggest events of the year, in the summer for us college guys. I mean yeah, it's up there for sure."

It's been an incredible season for Stout. He was a member of the Oklahoma State University National Championship team and now he can add Northeast Amateur champion to his resume. When he finished with his par putt on No. 18 to win, his mom gave him a big hug for the victory.

"I'll always love this place now," he said. "Yeah, awesome spot and lovely golf course. Awesome week. Everything's so good here. The food's amazing. We always get treated really well. Some of the best players in the country are here and it's such a great event, so well run. We're all just blessed to have the opportunity to play here this week."

On Saturday, there was a huge gallery following the final group, and Stout blessed the fans in attendance with an epic round.
